

Deadline: January 18th, 2011

Scientific abstracts and interesting and informative case reviews will be accepted for either oral or poster presentation. Preparation for each is described below.

Scientific abstracts describing work in the following areas will be considered for oral or poster presentations: extracorporeal life support, including neonatal, pediatric &/or adult ECMO, ECCO₂R, or ventricular assist devices; pathophysiology of respiratory diseases; all therapies for respiratory failure, including nitric oxide, liquid ventilation, HFOV, etc.; outcome data on patients in respiratory failure; devices as they apply to respiratory failure techniques

Cases reviews in the following areas will be considered for oral or poster presentations: extracorporeal life support, including neonatal, pediatric &/or adult ECMO, ECCO₂R, or ventricular assist devices; all therapies for respiratory failure, including nitric oxide, liquid ventilation, HFOV, etc.; outcome data on patients in respiratory failure, etc.

Instructions for Abstract Preparation:

Abstracts/Case Reviews can be submitted in 2 different ways:

- On the website, www.ecmomeeting.com
- E-mail submission. These should be submitted on a single page (Word format) with **margins as follows:**
 - **Top=2 inches**
 - **Bottom=1 inch**
 - **Right/left=1 inch.**

After receipt, you receive an e-mail stating that we have received it for review. Acceptance for poster or presentation will be e-mailed by Feb 1st.

Instructions on preparation:

- Type the title in ALL CAPITAL LETTERS (Arial, 16pt), followed by the **authors names bold, italic, & underlined** (last name, first and second initials), followed by the institution where the work was done, the city, state, country
- Indicate the presenter with an Asteric*

Scientific Abstracts:

- Include: **introduction, methods, results, & conclusions**

Case Reviews:

- Include: an outline of the case, interesting points for discussion, what you learned from the case, & what you would like others to learn from this case

Example Abstract:

<p style="text-align: center;">TYPE TITLE IN ALL CAPS (Arial 16pt)</p> <p><i>Authors listed Last name, first, middle initial (Bold, underline, & Italic, Title Caps)(Times New Roman, 10pt)</i> <i>Hospital and/or University Affiliation, City, State, Country (Italic, Title Caps)(Times New Roman, 10pt)</i></p> <p>INTRODUCTION: Type your introduction here (Arial, 10 or 12pt) METHODS: Type your methods used here (Arial, 10 or 12pt) RESULTS: Type results here. You will need to cut/past tables/graphs into this area (Arial, 10 or 12pt) CONCLUSIONS: Type your conclusion here (Arial, 10 or 12pt)</p>

Submission Instructions

Website submission: Abstracts can be submitted using the meeting website, www.ecmomeeting.com. Instructions are on the website.

Note: If you have complicated tables or figures, it is better to submit via e-mail or regular mail.

E-mailing submissions:

- E-mail submissions should be sent to bshort@cnmc.org.
- Submit the following as attachments to your e-mail:
 - The original abstract/case review in microsoft Word format as outlined above
 - Author Abstract/Case Submission form, see below

FAX submissions: Only accepted as a temporary form. A copy of the original abstract with the Abstract/Case Submission Form must be received by e-mail before consideration for presentation.

Deadline: January 18th, 2011

****This Form must be submitted with the Abstract/Case**
